**Interview Summary**

Sir:

An Examiner interview was conducted between the Applicants' representative, Ashok Mannava, and Examiner Nelson on February 26, 2010. The rejection of claims 1, 15, 20, 24, and 27 under 112 second paragraph was discussed. Examiner Nelson agreed to withdraw the rejection because "a plurality of metrics" was recited in each of the claims and thus there is antecedent basis for "the plurality of metrics". Examiner Nelson also agreed to make an Examiner's Amendment to claim 24 to recite a non-transitory computer readable medium in order to overcome the 101 rejection and place the application in condition for allowance.

**Conclusion**

In light of the foregoing, withdrawal of the rejections of record and allowance of this application are earnestly solicited. Should the Examiner believe that a telephone conference with the undersigned would assist in resolving any issues pertaining to the allowability of the above-identified application, please contact the undersigned at the telephone number listed below. Please grant any required extensions of time and charge any fees due in connection with this request to Deposit Account No. 08-2025.

Respectfully submitted,

Dated: March 4, 2010
